### What Our Clients Say:

#### EASY TO FIND INFORMATION

“We check the Q&A Forum and blogs daily. We love being able to find important documents and information, all in one place.”

*HIM Director at a 150 bed facility*

#### GOT QUESTIONS?

“When I get a tough coding question, now I can just ask eduTrax® to do all the research. And we always get reliable answers in a day or two.”

*Coding Manager at a 75 bed facility*

#### IMMEDIATE IMPROVEMENTS

“We use Documentation Assistant every day. Our documentation and coding was a big problem – only 60% accurate. But after two months of using that tool, we’re at over 98% accuracy!”

*Director of Case Mgmt at a 300 bed facility*

## CODING, CHARGEMASTER, RAC, FINANCE, and AUDITING

Our authors and advisors frequently work for the Department of Justice as consultants, and are in tune with how the governmental agencies think, and more importantly, they know how they approach and conduct audits and reviews. With a subscription to eduTrax®, you have them available to advise you through live and recorded training sessions, plus you can ask them unlimited questions, via our popular Q&A Forum.

SMALL OR LARGE: PRICING IS BASED ON YOUR NEEDS.
